To: All Anamet Electrical Customers.

Re: Compliance of products manufactured after January 1, 2000\* to the following requirements:

“Buy American Act” 49 U.S.C. 5323 (j) (1) and compliance with “Buy America” regulations in 49 CFR part 661 and any amendments thereto. This includes compliance with FHWA requirements of 23 CFR 635.410.

Build America, Buy America Act (BABA), Pub. L. No. 117-58, §§ 70901-52.

Anamet Electrical Inc. is committed to providing quality products. The following products are manufactured and assembled in the United States of America and meet the Buy American Act, Buy America, and Build America, Buy America Act (BABA) requirements:

- All our SEALTITE® liquid-tight flexible metal conduit.
- CNP and FGCNP type A liquid-tight flexible nonmetallic conduit.
- All our flexible metal conduit other than type RWA.
- NPT Zinc-Plated Steel Fittings with part number beginning with 7STR.

Clint Parrish, Product Development Manager
