To: All Anamet Electrical, Inc. Customers  
Re: PFAS

Perfluoroalkyl and polyfluoroalkyl substances (PFAS) have been identified by the EPA as being potentially harmful to the health of humans and animals due to their persistence in the environment. Based on information available from our raw material suppliers and knowledge of our products and processes, Anamet Electrical declares that all products manufactured by Anamet Electrical do not contain PFAS.

A handwritten signature in blue ink that reads "Clint Parrish". The signature is written in a cursive, flowing style.
